**AMEND Senate Bill No. 1750\***

**House Bill No. 1798**

by deleting the amendatory language of Section 1 and substituting instead the following:

An application for initial registration of a low speed vehicle must include the seventeen-digit vehicle identification number (VIN) for the vehicle, and the application must indicate that the vehicle complies with the standards in 49 CFR 571.500. No initial registration shall be approved, and no registration certificate and plate issued, for a low speed vehicle without the vehicle's VIN. This subsection ( ) shall apply only to initial registrations and not to registration renewals.
